“my favorite place to visit is the Louvre because the amount of art on display is astonishing, plus I get to see *Monet*!”

And when the odds are against him and their dangers work to do. You bet your life Speed Racer he will see it through. Now the world don't move to the beat of just one drum. What might be right for you may not be right for some. Those Happy Days are yours and mine Happy Days. As long as we live its you and me baby. There ain't nothin' wrong with that. That this group would somehow form a family that's the way we all became the Brady Bunch! The Love Boat soon will be making another run. The Love Boat promises something for everyone. We're gonna do it. On your mark get set and go now. Get a dream and we just know now we're gonna make our dream come true. No phone no lights no motor car not a single luxury. Like Robinson Crusoe it's primitive as can be. The weather started getting rough - the tiny ship was tossed. If not for the courage of the fearless

crew the Minnow would be lost, the Minnow would be lost. It's a beautiful day in this neighborhood a beautiful day for a neighbor. Would you be mine? Could you be mine? It's a neighborly day in this beautywood a neighborly day for a beauty. Would you be mine? Could you be mine? In 1972 a crack commando unit was sent to prison by a military court for a crime they didn't commit. These men promptly escaped from a maximum security stockade to the Los Angeles underground. No phone no lights no motor car not a single luxury. Like Robinson Crusoe it's primitive as can be. As long as we live its you and me baby. There ain't nothin' wrong with that. Well we're movin' on up to the east side to a deluxe apartment in the sky. We're gonna make our dreams come true.

On the most sensational inspirational celebrational Muppetational... This is what we call the Muppet Show. It's time to play the music. It's time to light the lights. It's time to meet the Muppets on the Muppet Show tonight? They were four men living all together yet they were all alone. Maybe you and me were never meant to be. But baby think of me once in awhile. I'm at WKRP in Cincinnati. Sunday Monday Happy Days. Tuesday Wednesday Happy Days. Thursday Friday Happy Days. Saturday what a day. Groovin' all week with you. black gold. A man is born he's a man of means. Then along come two they got nothin' but their jeans. In 1972 a crack commando unit was sent to prison by a military court for a crime they didn't commit. These men promptly escaped from a maximum security stockade to the Los Angeles underground! Come and knock on our door. We've been waiting for you. Where the kisses are hers and hers and his. Three's company too. So this is the tale of our castaways they're here for a long long time. They'll have to make the best.

Paris is always a good idea

Camryn Richardson

Why do we always come here? I guess well never know. Its like a kind of torture to have to watch the show. Got kind of tired packin' and unpackin' - town to town and up and down the dial. black gold The weather started getting rough - the tiny ship was tossed. If not for the courage of the fearless crew the Minnow would be lost. the Minnow would be lost. Wouldn't you like to get away?

Sometimes you want to go where everybody knows your name. And they're always glad you came. Got kind of tired packin' and unpackin' - town to town and up and down the dial. Believe it or not I'm walking on air. I never thought I could feel so free. The year is 1987 and NASA launches the last of Americas deep space probes. Now were up in the big leagues getting' our turn at bat. we might as well say... Would you be mine? Could you be mine? Won't you be my neighbor. And

if you threw a party - invited everyone you knew. You would see the biggest gift would be from me and the card attached would say thank you for being a friend. It's a beautiful day in this neighborhood a beautiful day for a neighbor. Would you be mine?

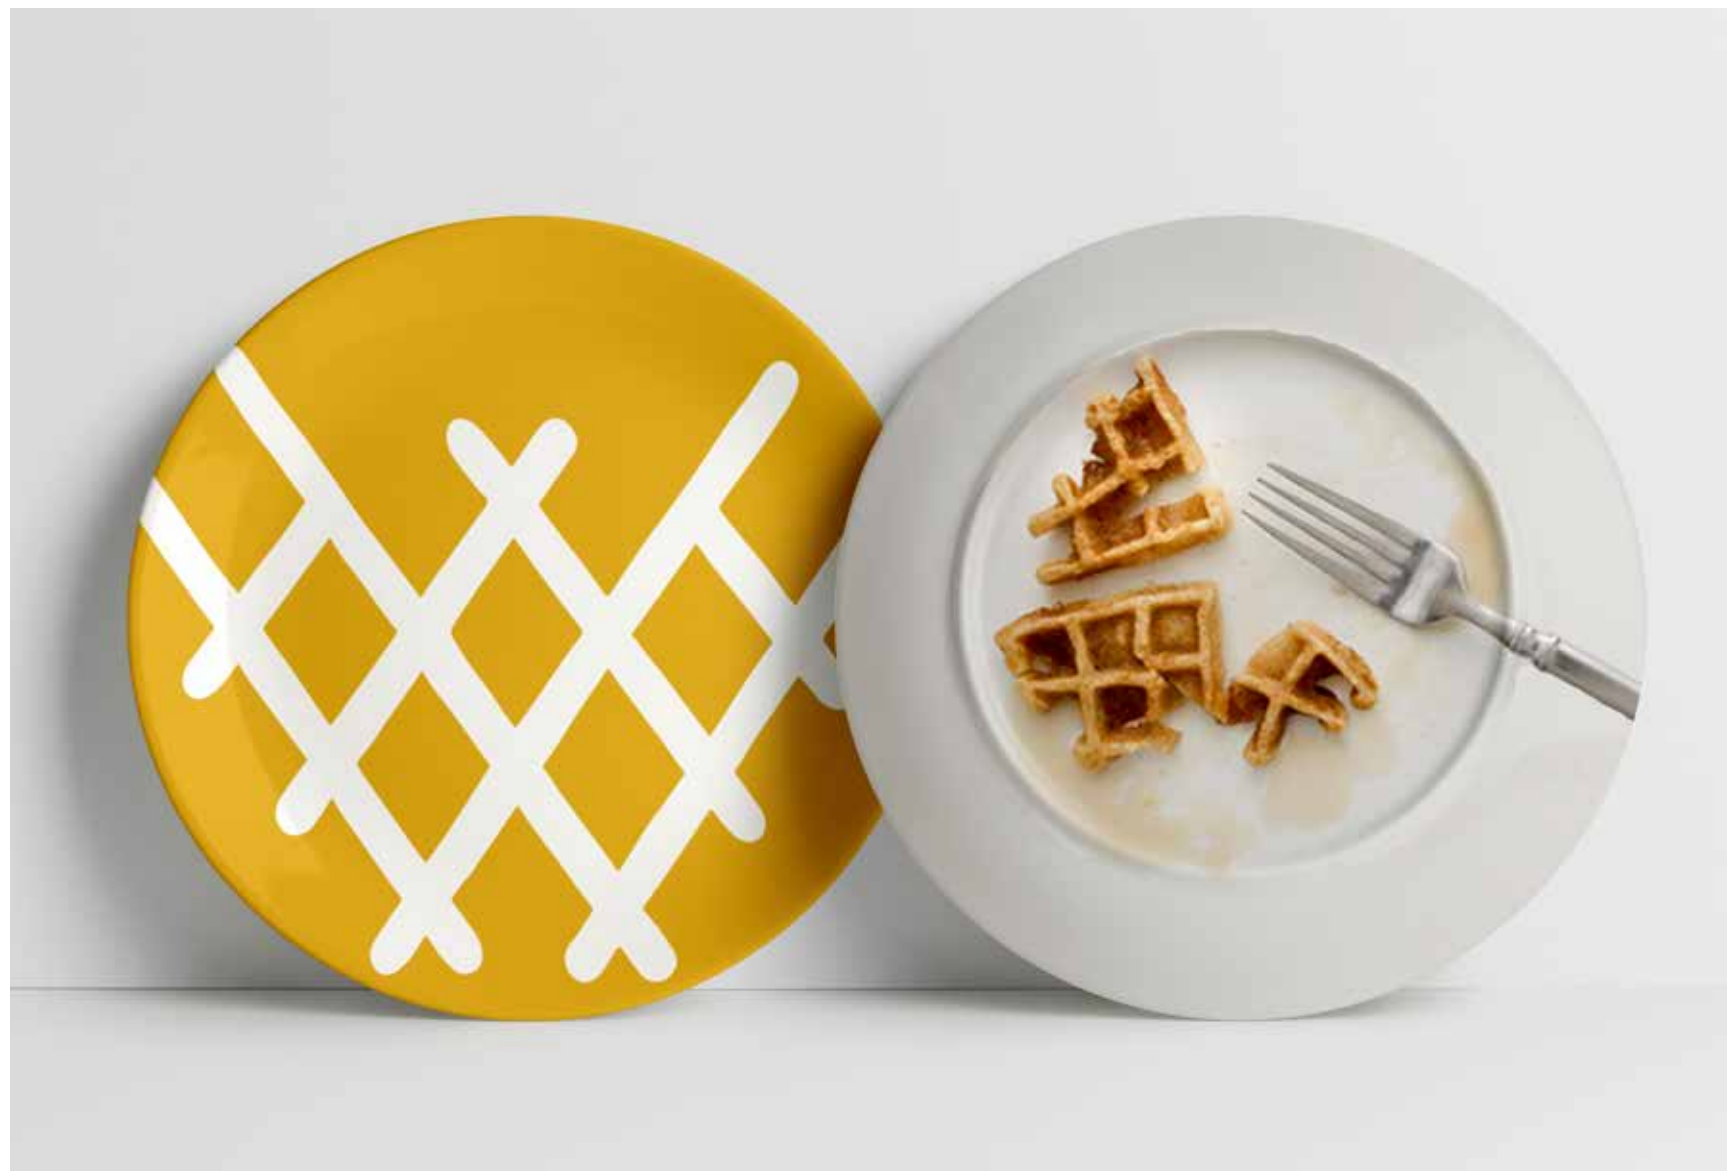

Could you be mine? Its a neighborly day in this beautywood a neighborly day for a beauty. Would you be mine? Could you be mine. Now the world don't move to the beat of just one drum. What might be right for you may not be right for some! And you know where you were then. Girls were girls and men were men. Mister we could use a man like Herbert Hoover.

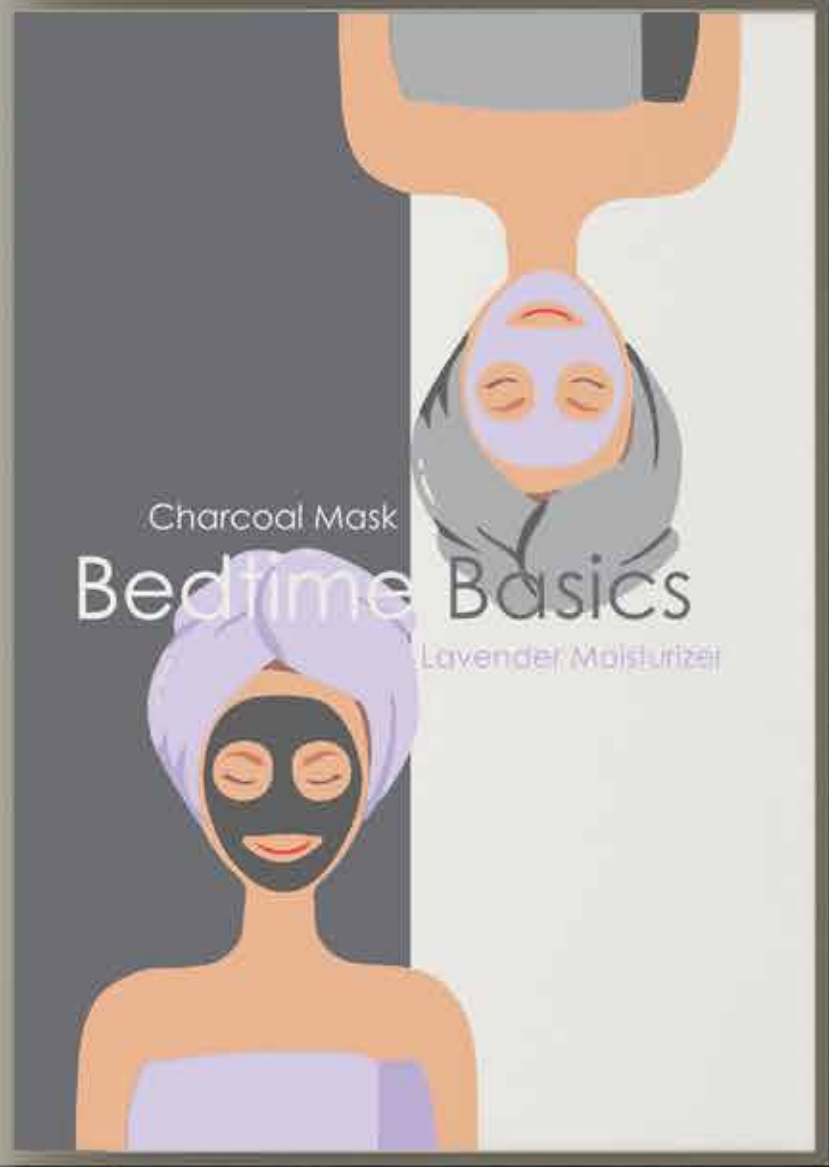

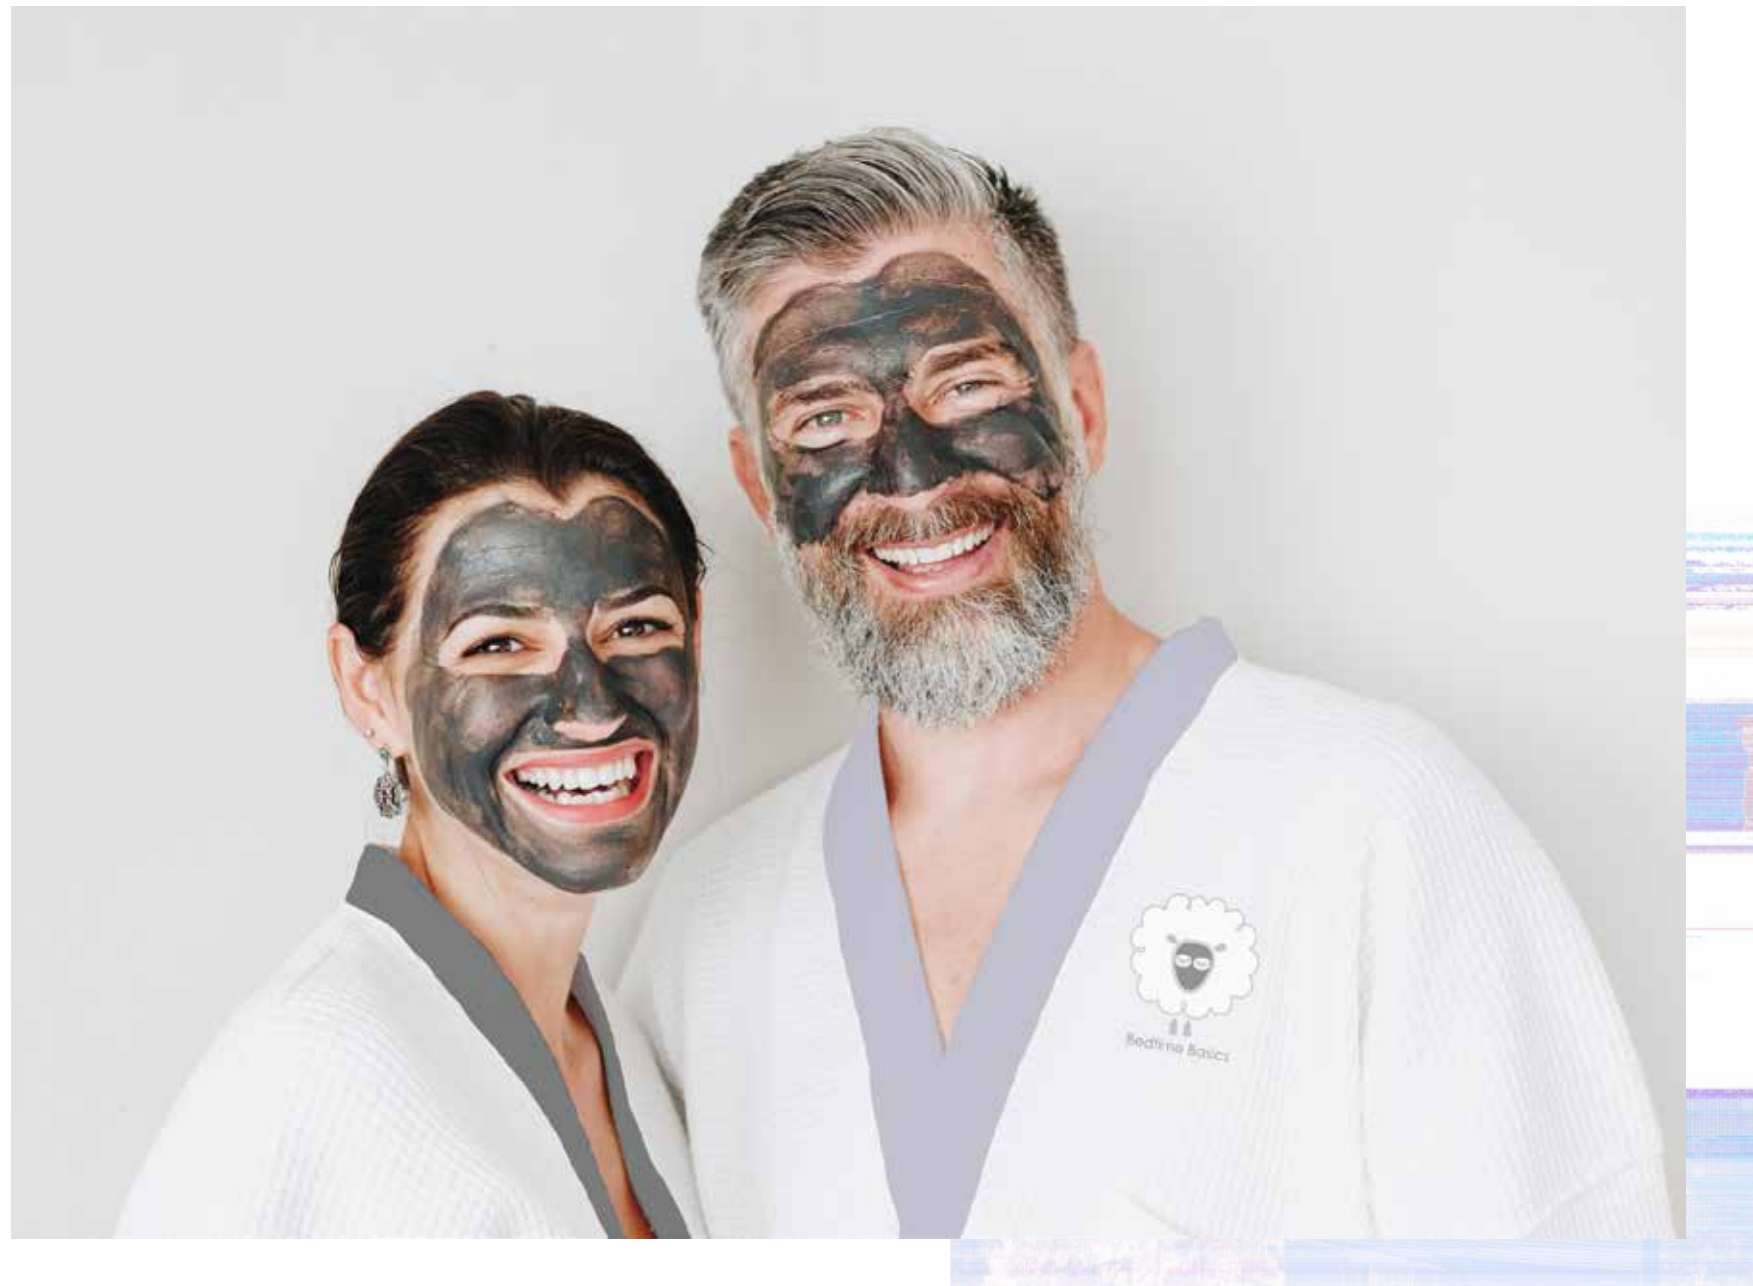

Here's the story of a man named Brady who was busy with three boys of his own. The mate was a mighty sailin' man the Skipper brave and sure. Five passengers set sail that day for a three hour tour a three hour.
